

Agenda

Focus on:

self

everyday

world

organisation

Wholeness, Mindfulness Wellbeing at Work, & Akido Leaders Emotional Intelligence, offers hear everything. Summed up: The big changes show on a regular Tuesday. In your meetings, in calls with clients, in how your team deals with challenges. What keeps your team healthy and energised in the missing in your tool-box? everyday?

Abundance, Design Thinking, Social Teams Leaders are constantly looking for new ways of organising being deeply work and teams, to make them thrive. Leadership means being deeply work and teams, to make them thrive. What is your current world and its challenges? What do you want to see more of in your organisation?
